- B- East River Flats Park Loop
- C- Miss. River Pkwy & Randolph Ave.
- D- 1.13 on Miss. River Blvd/ 1.68 in Park
- E- From East, Turn onto Dirt Path after Bridge
- F- Godfrey Pkwy
- G- Minnehaha Pkwy & 38th Ave S.
- H- Wooden Bridge
- J- Nokomis Community Center
- K- Lake harriet Bandshell
- L- Path to Dean Parkway
- M- Dean Pkwy & W. 28th Street
- N- Backwoods Dirt Path by Lake / rough terrain
- P- From South, Left on Burham Blvd., then enter trail by Hydrant on left side of road.

Comments & Measuring Information

The distances on this map were measured in April 1990 using a ten-foot-circumference measuring wheel. The wheel was checked for precision and routes were occasionally measured twice to check for accuracy. The routes are almost exclusively paved running and walking routes; however occasionally routes follow dirt trails or regular sidewalks. The north-eastern edge of Cedar Lake is all dirt/cedar trails.

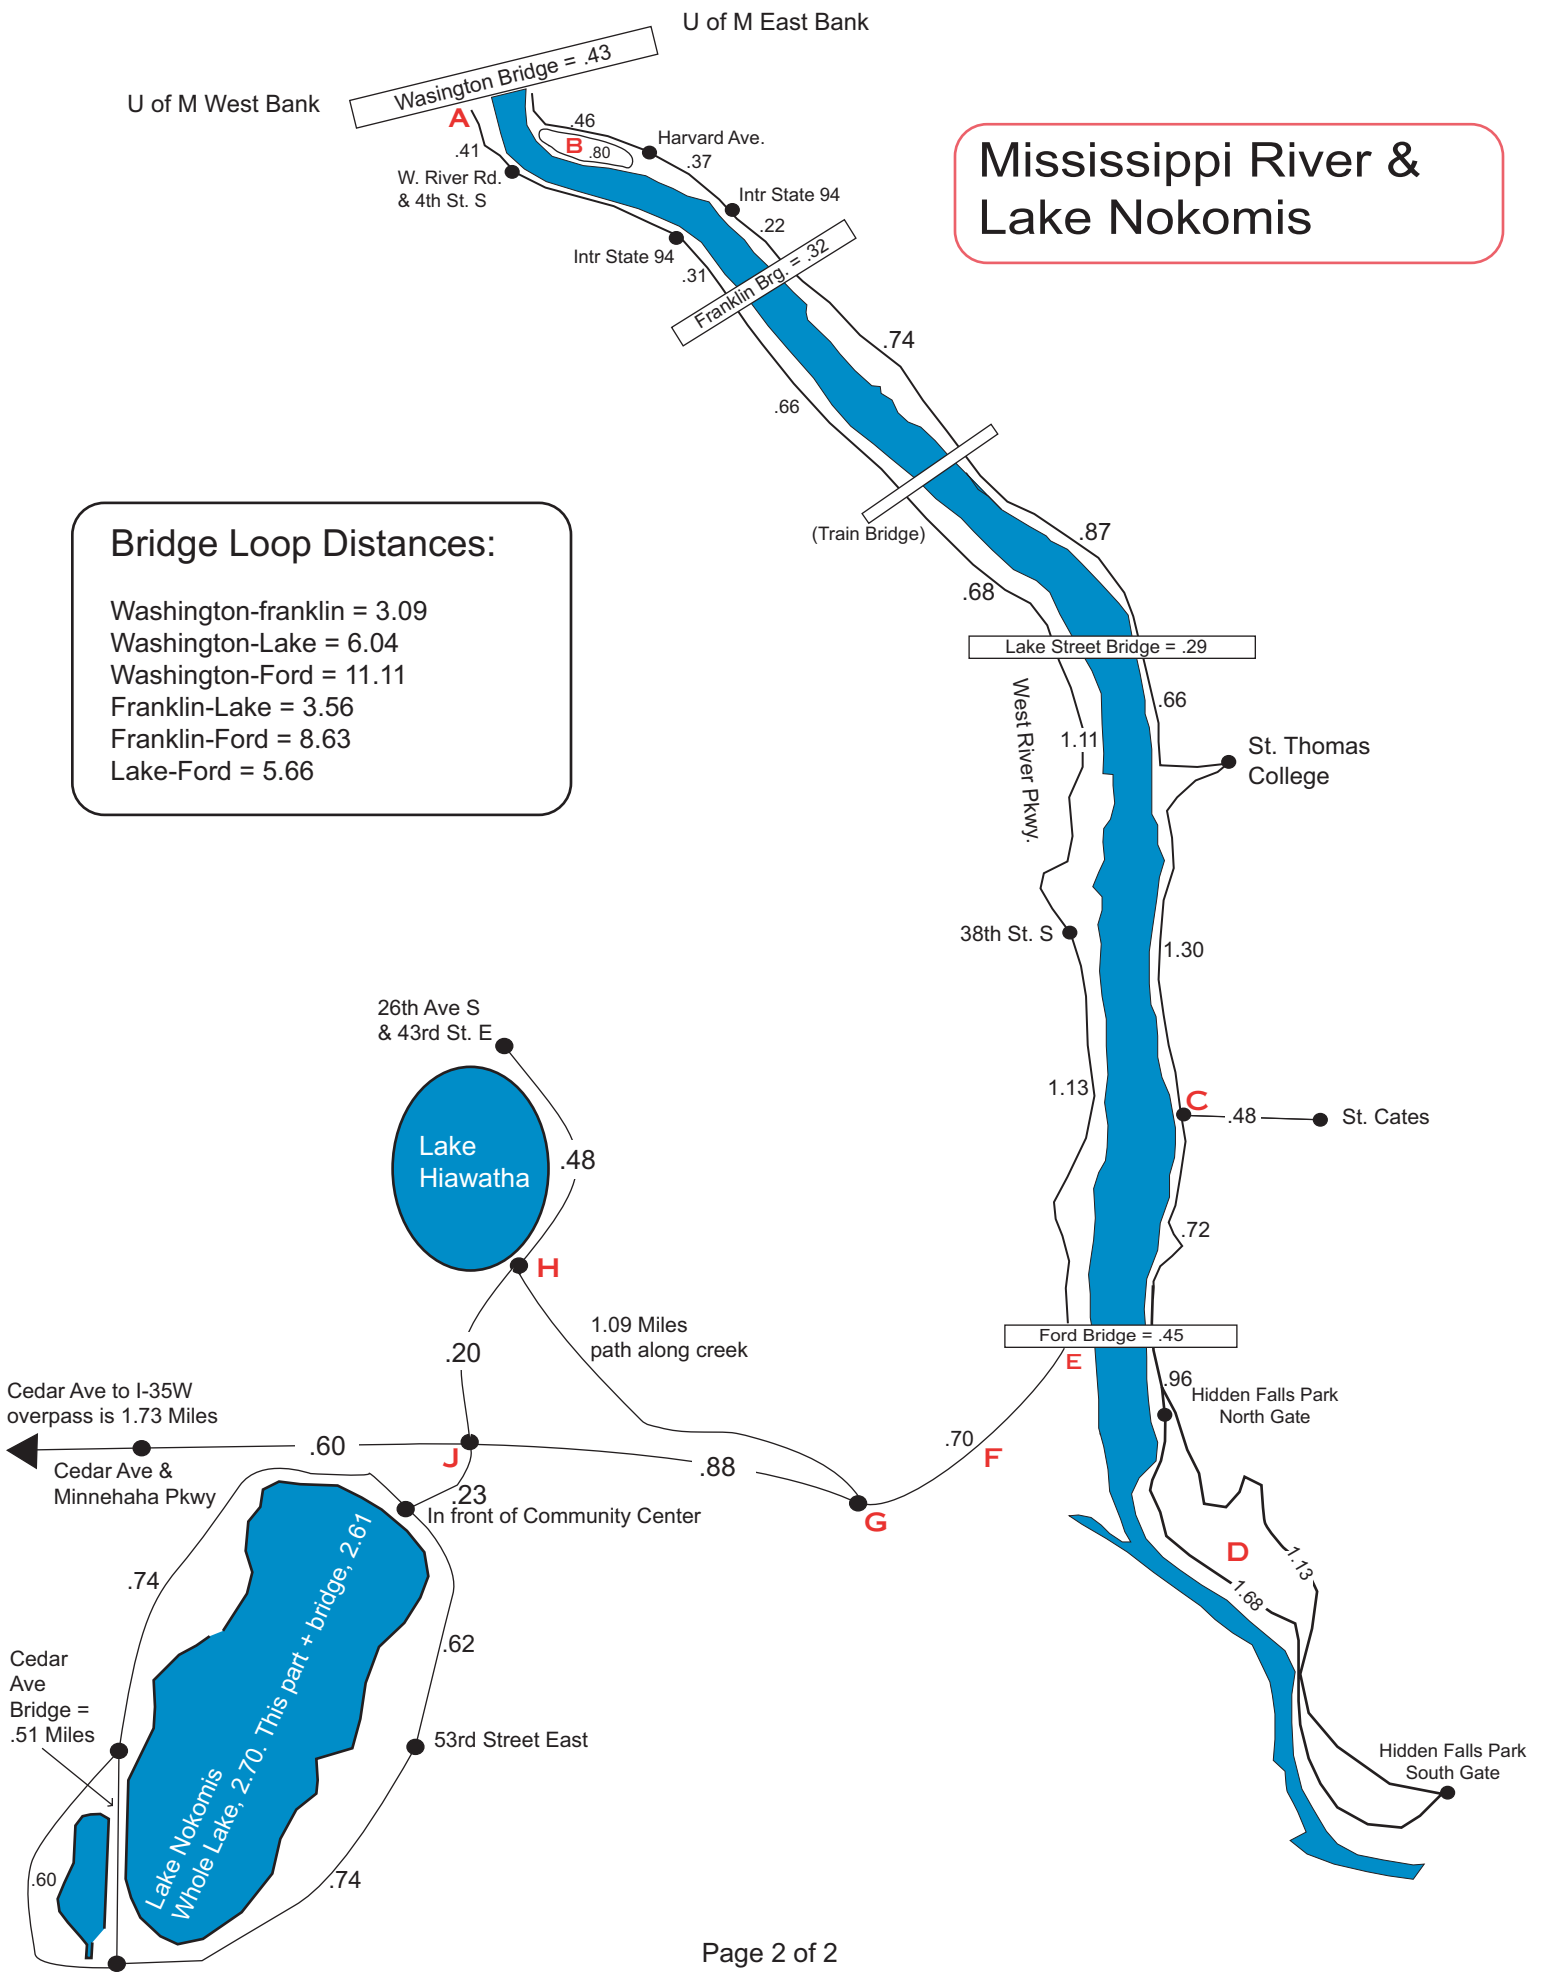

Original Measurements / documentation by Mike Smart,
Electronic Publication/Revision by Andy Borne.
